Coppell ISD Orchestra Program Implementation Efforts

An overview of the efforts that have been made in regards to creating an orchestra program at Coppell ISD will be presented. This overview will include information gathered from numerous sources including Dr. Roesler, Professor of Orchestra Music Education at UNT, as well as Dr. Chandler, Director of Fine Arts at Birdville ISD. The data collected has been organized into the following categories:

- After School Elementary Program Logistics
- Budgeting Responsibilities
- Director Qualities
- Possible Next Steps

To conclude, the board members will be free to analyze the information collected and ask any questions about the possible implementation.
