# Right now at NES...

---

- State Testing-finished ELA and doing makeups for Science, starting Math this week
- K/1 is swimming this trimester-one class per day
- Working on “next school year” things- staffing, grade level configurations
- Getting ready to pilot ELA curriculum next year-team of teachers learning together monthly and using a rubric to assess different curriculums in May and June with piloting starting in the fall
- Tracy Bennett is leading our spring DIBELS reading data assessments for all students.
- On-going work with aligning our math teaching to state standards monthly with our math coach, Spring Chang

# Next up at NES...
