

Career and Technical Education Update

Board Presentation

1/12/26

Christina Rice Imumwen

A photograph of two graduates, a male and a female, walking outdoors in their graduation regalia. The male graduate is in the foreground, smiling, wearing a black cap and gown with a gold stole. The female graduate is slightly behind him, also smiling, wearing a black cap and gown with a gold stole. They are walking on a paved path with a fence and trees in the background.

Integrating the CTE Vision

T-2-4

Every SBISD graduate will attain a technical certificate, military training, or a two-year or four-year degree.

CTE Vision

In SBISD, we believe CTE is a critical part of achieving our T-2-4 goal. We are committed to offering our students a world-class CTE program.

Components of High-Quality CTE Programs

Collective Commitment

- District and campus leadership supports and has a deep understanding of CTE programs
- Knowledgeable counselors
- Administration understands sequenced programming MS through HS

Experienced and Engaged Faculty

- Quality, engaging classroom learning experiences for students
- Educators equipped with current industry knowledge via industry certifications and/or job shadowing/externship opportunities

Industry Standard Facilities and Equipment

- Facilities that meet current industry relevant standards
- Enterprise opportunities
- Quality equipment that is accessed and inventoried
- Program accreditation

Robust Curriculum

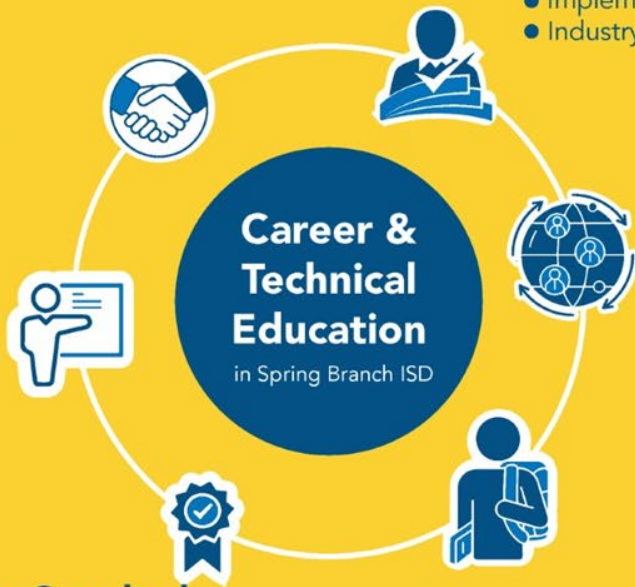

- Teachers' collaboration through PLCs
- Curriculum aligned to industry standards/skills
- Professional growth opportunities for teachers
- Implementation of TEA programs of study
- Industry standard certifications

Real World Connections

- Student leadership opportunities through CTSO participation
- Authentic opportunities for student engagement with business & industry partners
- Implemented Business Partner Framework
- CTE Advisory Board

CTE for Every Child

- Access for all students
- K-12 career exploration
- 1:1 post-secondary planning conversations MS through HS
- Recruitment and marketing that informs and engages students about CTE programming
- Academic content integrated into CTE

Collective Commitment

All SBISD Students have access to all CTE Programs of Study for the first time in SBISD.

CTE Enrollment % of high school students in a CTE course	2023-2024	2024-2025	2025-2026
	78%	79%	85%

	2022 - 2023	2023-2024	2024-2025
Advisory Board	57	68	79
Business Partners	84	162	174

Our partners play a key role in our success

Our Business Partner Framework was developed and implemented to provide students with authentic, real-world experiences. Our partners are key in shaping this experience.

Our staff engage as leaders – at every level

CTE staff engages at the local and state levels, participating in CTAT NextGen, West Houston Association, presenting at CTE conferences, and serving on TEA committees for TEKS revisions and curriculum resource reviews.
