The Superintendent will initially place employees in a pay range appropriate to the position. Hourly rates of pay will be based on the pay range rates and on a prior experience factor as determined by the district.

The factor is as follows:

- 1.) For every year of non-school related experience, the Superintendent will evaluate the job experience as it relates to the school-related job. One half year of experience will be credited for each similar non-school related year. Part time experience will not be considered in the experience factor.
- 2.) Similar school-related experience will be considered as a one for one match. Thus, each year of experience will count in the experience factor.
