RE: Administrative Report
Date: May 12, 2025

1. Student Recognition: Michael Kpomassey and Francis Sessenou are both track athletes that have broken school records this year in their events. Both students are invited to come before the Board to receive recognition.
2. Staff Recognition: This month we would like to recognize our dual credit educators that have developed, grown, and made it possible for UTHS students to earn college credit while attending high school.
