## How do you think your school will help you prepare for your future career or education?

|  |  |  |
|--|--|--|
| Giving me the classes I apply for and such to look good on college applications  | help know how to life or something like that   | I don't know   |
| Yes  | Getting my diploma is enough help. Plus psychology and biology   | I fell that it will help me with my future career by giving me the knolege that i need for my future career. |
| It will set me up with the success that I need   | It won't   | ap classes and school counselor  |
| I feel like the school does a good job at giving kids the opportunity's they need to get where they want, with the resources we have!                                      | nothing cus i hate this school   |  |
| By giving me enough education and actually making sure I learn things before we move on to something else. Also by making sure I can actually do things I enjoy in school. | my work ethic  | it wont  |
| Nothing  | they haven't   | Teach me to be on time   |
| It'll teach me more on science and stuff which is important for many jobs  | <input type="text"/> is preparing me for the real world.   | i have no idea honestly  |
|  | nothing i think online would prepare me more   | i dont think it will help me prepare   |
| i'll learn stuff   | It will help via PSEO toward college   | yeah   |
| By doing what a regular school does.   | Help me learn stuff for my physical therapist career   | I honestly don't know  |
| By making sure I'm learning what I need to.  | by learning whatever i remember in school so i can try remember when i need in the future for a Job or college education |  |
| I don't think they will do that very well.   | It won't   | Free college   |
| IDK  | i will graduate  | I think I need to think more on that.  |
| possibly   | The only thing that helps me is on the job work leave.   | yes absoulty   |
| Maybe  | idk  | idk  |

|  |   |  |

| The people I'll have connections with  | To be educated for college                                | to help me get in to college.  |
|  | idk   | Would be nice to offer more and better classes.<br>More real life lesson classes   |
| I want to be a labor and delivery nurse so it has some classes that will benefit me for the future | learning  | work better on math and all that   |
| it wont and hasent   | By making me smarter                                      | idk  |
| idk  | probably not much   | idk  |
| im unsure  | help me prepare for the future                            | I believe they mostly are except for my math classes last year that have helped me prepare for my future career as a healthcare worker.  |
| all  | not very well for criminal justice options for the future | I think my school will help me prepare by offering scholarships from schools, talk to students about opportunities in school and outside of school, and allowing students time to visit colleges and explore the career or education that they want to pursue. |
| getting me ready for college   | gets u ready for the future                               | idk  |
| The classes will help me learn and get college credit  | prepare to be bored out of my mind                        | Not be liars   |
| i dont know  | I don't think it is helping at all!                       | there shoud be a class that helps you figure out what you want to do and and the college you want to go to.  |
| it wont  | I dont know   | it isnt  |
| i don't know   | idkk  | Taught me how to talk to people I don't like.<br>Collaborate with people who like to do nothing.<br>How to ignore listening to people I don't really know.   |
| Teach me the things i need to know.  | idk   | Alright as long as I continue to take classes like work experience which let you explore careers and practice doing things that you will need to do for future careers.  |
| idk  | be ready for college                                      | i don't know really  |
| they provide me support and help my decision   | the help and support                                      | I'm not entirely sure to be honest because I'm still   |

|  |  |  |

| making   |  | trying to figure out what I want to do.  |
| by teaching students things that we'll need to learn in the future.  | Its taught me a lot throughout the years. there's been ups and downs but i wouldn't trade going to this school for anything, i've made friendships that'll last a lifetime, so many memories, sports, education, and teachers that believed in me when i didn't believe in myself. | gets ready for college   |
| don't know   | I think it will help me create and build good habits.  | By teaching me some of the things that I need to know about it.                          |
| Provide knowledge to further my education  | i wont it doesnt teach me anything   | not a whole lot.   |
| i'm not sure, maybe having like a 20 minute free period to get caught up with school work in case people missed school days or they cant do it at home | by using math and science in work  | alright  |
| Bagley high school does not provide much help to prepare for many future careers or education  | it will not  | probaly not alot of classes doesnt teach much like GTT                                   |
| i think there are many resources to help my future and the counselor is helpful and knowledgeable  | good   | it wont i am stupid i am a bad child   |
| idk  | make me smart  | i don't  |
| i dont   | idk maybe with money and math  | idk  |
| It let me take the preACT for college or something like that   | Teaching me stuff.   | Work hard  |
| i think they will support me with everything and try and guide me to do the best for my future   | for going to colleg or getting a job   | I think that it will help but there is some things that could be better                  |
| I think it will prepare a lot.   | brain development  | teach me stuff idk   |
| College credit   | Getting experience with dealing with difficult people.   | They have been very helpful in my college needs and questions I have had for the future. |
| Some things it will and somethings it wont   | idk  | I think our math program is hindering my future career.                                  |
| they provide me knowledge  | i think it is helping but its not that good at it  | I mean im leaning so just like anyother school but louder.                               |

|  |   |  |
|--|---|--|
| I think it will help once I decide what I would like to go into.   | yes   | it wont  |
| Taking business classes help me with my future.  | choosing what i want to do  | it wont  |
| by learning  | If i learn i can go to collage and then i can get a stable job.                 | help me count money  |
| the staff is awesome beans   | Give me the tools I need to do stuff for jobs.                                  | idk yet  |
| i hope better than i think   | It will get me the education that I need and the sport coaches will do that too | no   |
| teach me how to act in the real world  | helping become more social and more connected.                                  | being smart  |
| By helping me graduate   | The education   | idk  |
| i have know idea   | by me talking to people I dont know.  | They won't   |
| I could take welding classes and woods classes and anything electrical classes to prepare for my future  | Make me motivated   | since its in debt, it reminded me of financial decisions and what NOT to do... |
| Elementary school was the only time I learned anything high school is point less   | By teaching me in a lot of different aspects in life                            | I hope the school will provide the proper education for me to go to college    |
| to be a logger so i dont really need school  | They will help me.  | idk  |
| I don't know   |   | Post secondary   |
| Get me ready for life.   | it helps build character  | i dont think it can help   |
| dont help at all in some classes because we dont do anything in some classes and we learn things that we dont need in the future so that dosent help with anything | it wont i need special cls  |  |
| idk  | none imma be rich   |  |
|  | learn my mesure ment so I can go do hair  |  |
