Dear Administrators,

It is with regret that I am writing to you today to tender my resignation from Browning High School as the auto and welding teacher.

I never thought I would leave such a great teaching position, but when the opportunity arose to start the only Blackfeet owned business in sheet metal, which is a skill that is in high demand, I had to take this opportunity.

I cannot say enough wonderful things about all the people I've had the opportunity to work with in my years of service at Browning Public Schools. I appreciate all the professional and personal advice over the years I've been with the district. I had a wonderful experience with my colleagues and students and I'm very saddened that I will not be part of the team (family) anymore.

I am very grateful for having had the opportunity to teach in our community for the past three years.

I hope you will understand my situation and accept my resignation.

Sincerely,

Zebah Burdeau
