

INFORMATION ABOUT THE SALARY OF GREG PEARSON

*Greg Pearson is currently 6th in total salary of all Waskom ISD employees. His current salary is \$62,590.00. The make-up of his total annual salary is as follows:

Base Salary:		\$45,510.00
Teacher Stipend:	(12 months)	\$3,180.00
Extra Months:	(12 months)	\$4,000.00
Football Defensive Coordinator		\$3,500.00
Head Boys/Girls Powerlifting		\$3,500.00
Off-Season Conditioning Coordinator		\$2,900.00
	Total:	\$62,590.00

There are many ways to increase his salary. The district could increase any of his three athletic stipends. The district could pay him his daily payroll rate for some of the 39 days included in the two extra months that we pay him. I think that the best way to increase his salary without making him appear to be getting special treatment would be to increase his Off-Season Conditioning Coordinator from \$2,900.00 to \$3,500.00. This would give him a \$600.00 increase in his annual salary. This would make the Off-Season Conditioning Coordinator equal to the Football Offensive and Defensive Coordinator Positions. The other way to do this would be to pay him his daily payroll rate for a certain number of days. I think that the first thing to decide is how much of a salary increase do we want to give him. With that amount decided it will be easy to determine how to accomplish that. The next person above him on the payroll chart is Jack Dillard at \$66,175.00.
