Graduation Matters/Culture Matters

December was a short but busy month at Bullshoe Elementary. On December 9th, our Little Learners held their Christmas Concert, and they did a wonderful job—our students truly shined. Students proudly incorporated the Blackfeet language into their performance by singing *Jingle Bells* in Blackfeet. Following the concert, students received special gifts from our local Veterans, bringing many smiles and excitement. Students also had the opportunity to meet Santa, and each child received a book to take home. To wrap up the season, our Little Learner classrooms enjoyed decorating Christmas cookies together, creating a fun and festive experience for everyone.

The Christmas concerts were successfully completed, with numerous family members in attendance to enjoy watching our students sing while dressed in festive attire. Santa came and visited our school, and each student received a book from him and had the opportunity to take pictures together. We also enjoyed a festive dress-up week, with Wednesday being “Ugly/Pretty Christmas Sweater Day,” which brought lots of holiday spirit throughout the school. Due to weather conditions, the Winter Make It Take It event was adjusted so that each student received a Christmas activity to work on over winter break.

Merry Christmas and Happy New Year from Stamiksiitsiikin Bullshoe Elementary!!!
