

MEMO:

To: Board Of Education

From: Dr. Patricia Wernet, Interim Superintendent
Dr. Griff Powell, Interim Superintendent

Subject: Spanish Immersion Support Position

Date: October 12, 2021

The District Administration understands the needs of Lincoln Elementary School specific to the Spanish Immersion Program. We continue to search for ways to better expand our support for this program and the recommendations of our staff.

In order to provide additional support, we are recommending a new position, for enrichment and intervention. This person will provide hybrid support for all K-5 Spanish Immersion Classes. If the Board of Education supports this recommendation, we will ask for approval of this position at the October 26, 2021 Board Meeting.
