

Executive Summary

Prepared for Board of Trustees Meeting

June 14, 2011

Denton ISD 2011-2014 Technology Plan

Board Goal:

- I. Vision: *the district will:* prepare our students to be successful in a global society while instilling an appreciation for community service
- II. Teaching & Learning: *the district will:* stay abreast of and incorporate best practices into teaching, learning, technology and leadership

Purpose of Report

The purpose of this report is to present to the Board Denton ISD's 2011-2014 Technology Plan developed by the Technology Advisory Council.

Objectives

From the Denton ISD 2011-2014 Technology Plan:

- Goal 1: infuse technology throughout the curriculum to prepare all learners
- Goal 2: increase integration of technology through professional development
- Goal 3: provide technology support systems to all staff, parents, and community members
- Goal 4: provide adequate technology infrastructure to meet instructional needs

Operational Impact

The Technology Advisory Council will meet twice a school year beginning in the 2011-2012 school year to review and assess the district's technology plan.

Results

What is expected to be accomplished can be expressed through the four goals of the Denton ISD 2011-2014 Technology Plan:

- infuse technology throughout the curriculum to prepare all learners
- increase integration of technology through professional development
- provide technology support systems to all staff, parents, and community members
- provide adequate technology infrastructure to meet the instructional needs

Other Option

None
