

Required Public Comment Opportunity for the 2024-2025 Federal Applications

**ESSA, IDEA, and
Carl D. Perkins V**

Students, parents, and school district staff as well as business and community members have an opportunity to express their opinion regarding the design, planning, and implementation of Federal Program Grants.

ESSA

Federal Program Grant

Title I, Part A Funds

Improving Basic Programs Special Revenue Fund

Funds provide supplemental resources to help schools with high concentrations of students from low-income families and provide high-quality educational services.

Title I, Part C

Migrant Education Program Special Revenue Fund

Funds provide supplemental instructional and support services for migrant students and their families, as well as to conduct identification and recruitment, data collection, and records transfer as required by law.

Title II, Part A

Building Systems of Support for Excellent Teaching and Leading Special Revenue Fund

Funds provide for improving teacher and principal quality and increasing the number of highly qualified teachers in the classroom as well as highly qualified principals and assistant principals in schools.

Title III, Part A

English Language Acquisition Special Revenue Fund

Funds provide supplemental resources to help ensure that children who are English language learners attain English proficiency at high levels in core academic subjects.

Title IV, Part A

Student Support and Academic Enrichment Grants

Special Revenue Fund

Funds provide supplemental resources to support a well-rounded education, safe and healthy students, and effective use of technology.

IDEA

Federal Program Grant

IDEA Part B

These funds provide supplemental resources to help the district identify students for Special Education services and provide those services for children aged 3-21 years old.

IDEA Part C

These funds provide supplemental resources to help the district identify students for Special Education services and provide those services for children aged 0 – 36 months old.

Deaf Education

These funds provide supplemental resources to help the district identify students for Special Education services and provide those services to children who are Deaf or Hard of Hearing.

Carl D. Perkins Federal Program Grant

Carl D. Perkins V

The purpose of the career and technical education (CTE) program is to develop more fully the academic knowledge, technical, and employability skills of secondary education students who enroll in CTE programs and programs of study.

Federal Requirements of Perkins V Funds

- Provide career exploration and career development activities
- Provide professional development
- Provide the skills necessary to pursue careers in high-skill, high-wage, in-demand occupations.
- Support integration of academic skills into CTE programs of study
- Support integration of programs of study
- Evaluate Perkins-funded programs including a local needs assessment.
