Eligible students earning their Essential Skill:

- 43% in Reading
- 40% in Writing
- 17% in Math
- 15% in Careers

Out of the 280+ students served during the 2014-2015 school year, 17 students were enrolled during the entire school year.

NBHS graduated 21 students during the 2014-2015 school year.

The only proven consistency is that the NBHS student enrollment is changing weekly and we will experience enough student movement to change over the enrollment three plus times during our school year.
