Strengths:

TEACHERS! TEACHERS! TEACHERS!

Concerns/Needs:

At this time, there are no needs or concerns at Big Sky & Glendale Schools. We are planning for year end activities, purchasing next year curricula and materials, as well as making referrals for students who may need additional services through special education.

GLENDALE COLONY SCHOOL

Submitted by: Cindy Show

Greetings from Glendale,

March was another quiet month at the school. There were no visits from GNP rangers or the librarian. However, the students kept busy working to reach the end of third quarter benchmarks. I am pleased with their efforts and their academic progress. Our third quarter attendance was fantastic with six students having perfect attendance.

On behalf of the students and myself we would like to wish you all a wonderful Spring and a Happy Easter.

Your partner in education;
Cindy Show
Glendale teacher

BIG SKY COLONY SCHOOL

Submitted by: Ellen Christoferson & Jackie Racine

We began the Iditarod/IdidaREAD race. We started out by researching the history, route, mushers and dogs of the race. Our students chose a musher to root for and we followed the daily race updates. The students participated in their own race by challenging themselves to read 979 pages(the length of the race). The class also made and named their own dog as an art project.

Our students wrote instructions on how to construct a leprechaun trap. We had some pretty inventive ideas. Leprechauns beware! We tried our hand at 3D drawing by drawing a three dimensional picture of their own hand using a technique we learned on the Internet. We had a visit from the early kindergarten class in Browning. The students were proud to take our visitors on a tour of their colony.

Respectfully submitted,

Ms. Racine

Mrs. Christoferson
