Re: High School Principal Report December 2022

Greetings from HHS!

We are wrapping up the first semester with finals fast approaching. Finals will be held on December 15th, 19th and 20th this month. There has been a lot going on this first semester regarding construction around the HS and we are looking forward to the day we don't have the fun sound effects of our school improvements going on all around us! In all reality though seeing the progress is a great thing for our school and our community. We really are excited to see it all come to fruition!

The Homedale BPA Chapter had 15 students participate in the Regional Contest held December 5th at Parma High School. Seven students qualified for State in 5 different events. Sydney Davis placing 1st in Payroll Accounting; Kambell Garrett, Kinlee Garrett and Lexie Heck, 2nd in Website Design Team; Maite Frank, 2nd in Intermediate Word Processing; Kennedy Kildow, 3rd in Payroll Accounting; Brodie White, 3rd in Advanced Word Processing; Maite, 3rd in Integrated Word Processing. They will continue practicing for the State Leadership Conference held in Boise February 23-25.

On Tuesday December 6th we had our annual Christmas concert here at HHS. It was great to see band and choir students from the Middle school to the High School all participate in this event and the gym was packed with parents and participants alike. A huge thank you to Mr. Z for putting this together.

This month we are focusing on our PBIS theme of Positive Attitude as we wrap up the first semester. We had a special guest from the Idaho Lives Project and Sources of Strength Patrick Conner come out and speak to our student body on December 1st about the positive effects of smiles and laughter. It was a great reminder of the importance of having a positive attitude and the impact it has not only personally but to those around us as well!

Looking forward to finishing the semester strong!

Matt Holtry

Current Enrollment-

Freshman- 117

Sophomores- 103

Juniors- 103

Seniors- 89

Total Students- 412

Past Events
