Re: RTA Amendment for Frost Middle School

I would like an opportunity to share with the Board of Education a recommendation for a contract amendment for roofing design and project oversight with Roofing Technologies Associates (RTA), for a roofing project at Frost Middle School. The project design fee is in the amount of \$54,680.00. RTA has designed the roofing projects since we began them in 2018 and we have been satisfied with their work. Please place this topic on the agenda of the upcoming Committee of the Whole on November 23, 2020.

Thank you.
