Re: Board Report

The Middle school is gearing up for the Boys Basketball season to get underway starting the 20th.

It has been a great December for our student athletes at the HMS. Our 7th grade Girls Basketball A team ended up placing 3rd in the SRV tournament, while our 8th grade girls were runners up to Parma.

HMS wrestling brought home a Conference Championship with the next closest team coming in 61 points behind. We had six district champions, two of them repeating, six 2nd place finishers, and two 3rd place finishers. In the end we had 14 of 20 wrestler's medal!

Here are the sports fees numbers for the last four years at the middle school.

2011	2012	2013	2014
\$7348	\$8292	\$8745	\$10,795

We are looking forward to a fun and competitive basketball and track season this year.
