**DESCRIPTION:**

At the February 11, 2013 board workshop, the course proposal process was reviewed, as well as the course proposals submitted by BCMS and BHS.

The proposed courses have met the criteria of the course proposal process: gaining recommendations from the department chair, the building principal, the Building Teaching & Learning Council, the Secondary Teaching & Learning Council, and the District/Community Teaching & Learning Council.

**NEXT STEPS:**

Once approved, these courses will be utilized in the BCMS and the BHS registration process as appropriate. Site principals will determine if the new courses have sufficient student registration and adequate resources to offer the courses for next year within the building budget.

Each course approved for implementation in 2013-2014 will be allotted twenty hours of further curriculum writing development if needed. These hours are under the direction of the Department of Teaching and Learning.
