

BOARD MEETING MEMORANDUM

Board Meeting Date: May 19, 2026

From: Carole Jennings, Director of Student Services

Re: Contract Approval | CYN Counseling Agreement for 2026-27

Attachment: CYN Counseling Agreement 2026-27

Agenda Location: Consideration to Approve: Action Items

Rationale:

To ensure we provide services to meet the social/emotional and mental health needs of our students, we want to continue the district partnership with CYN Counseling. CYN Counseling provides professional LCSW therapists 3 days/week to each of our schools in order to provide therapy to students in need. The cost of an LCSW therapist for 3 days/week throughout 2026-27 is \$47,250.

Previously, the contract was funded through the ESSER grant. This contract will now be funded through local funds.

Recommendation/Motion:

The administration recommends that the Board approve the CYN Counseling Contract Agreement for the provision of mental health therapy services to students for an amount not to exceed \$47,250.
