VI. **PUBLIC PRESENTATION**

Discussion: Revenues for 2023-24 school year were \$400,000 above projected due to higher than projected property tax receipts and the new Preschool for All Grant. Expenditures for 2023-24 were \$70,000 above projected. In part, this was due to increased purchased services and expenditures for the Preschool for All Grant and legal fees. For 2024-25 budget, salaries are a little higher this year because everyone received a 5% raise per contract. The contract is tied to CPI with a 5% cap, this salary increase is based on the previous year's CPI. Overall, the district projects \$7.06 million in revenues and \$7.03 million in expenditures for 2024-25.
