

ISD 698 Floodwood School District

Principal Report

Mrs. Amanda Fjeld

October 27, 2025

World Class Education

- Non-tenured staff first round of observations complete.
- Scheduling tenured staff observations.
- Reaching out and finding solutions for our open math position come December
- CNA course is a hit and it is fun to see this opportunity available for our students.
- Mr. Skripsky took a group of students on a Manufacturing Tour with Pathways NEXT on Oct. 24th
- Educational Assistant schedules are now set
- Oct. 6th was the first full day of inservice for staff. On this day staff were able to meet with their peer partner, hold MTSS meetings, complete some FastBridge training, brainstorm ways to meet students' needs and plan/prepare for the next month.
- The leadership team met on 10/14 - we reviewed our goals and made some action plans for this next month to support teachers and students.
- More Art guest speakers and field trips are getting on the calendar.
- Completed the Capti ReadBasix training on Oct 24th with our DLL, Jen Bartsch.

Safe and Nurturing Environment

- Met with a group of people and conducted a walk audit through our communities neighborhoods to help gather information for our Safe Routes to School Plan.
- Met with a community expert on ways we are keeping students safe while at school.
- Debriefed on our medical emergency with an ambulance crew member to see if there are ways we can improve in these situations.
- Rescheduled our Bus Evac Drill due to illness
- Tried to attend virtually, but school needs got in the way, the Annual School Law Seminar. Did receive access to the materials, though.
- Sent out a student survey on connections they have within the building with adults. Students also completed the MySaebars portion of the FastBridge assessment - this helps us see the needs in the area of social emotional learning.
-

Opportunities for Students

- Second art field trip occurred on 10/24/25. Elementary teachers chose between a virtual field trip to explore the telescope in Hawaii or take the student to our own school forest to complete a scavenger hunt and/or forest bingo. This was followed up with an art project.
- Oct 30th we have two staff members from SBDC to talk with our students about how art and creativity connect to business ownership, design, and everyday problem-solving. This is part of our Art Guest Speaker series.
- Juniors completed the ASVAB test on Oct 14th

Fund a 21st Century Education

- Andy and sports boosters are on board to apply for the Twins grant to help the field's status. Application doesn't open until January and then we will have a better idea on what we can/cannot do.

Community Engagement

- InGensa and Band Concert took place on Oct 23rd
- Trunk or Treat taking place on Oct 31st at the school from 4-6pm
- I attended the Strategic Doing meeting with other Floodwood leaders - continuing our work on the traveling history display to be ready for graduation.
- This year's graduating class is the 100th graduating class of Floodwood High! Brainstorming ways we can highlight this with the community.

Communications and Marketing

- Continue Weekly FHS Rundowns
- Highlighting our Art Program on social media and the website through pictures
