 - iv) Potluck 2/1 @5:30
- 9) Principal's Report:
- a) The facility is in great shape, thanks to Tonmy for that. The missing scoreboard part is on order.
- 10) Teacher and Aide report:
- a) Ms. Gabbie
 - i) The students created digital vision boards to showcase the goals they wish to accomplish in school and outside of school. These vision boards were displayed during the meeting. MAPS testing and Benchmark testing have been going well so far.
 - b) Ms. Canning
 - i) We are pushing along in our new writing unit, informative! Students chose what they wanted to research and will be turning them into multimedia projects. The students will share these projects either at an LSAC meeting or by inviting the community into the classroom. This will be a great opportunity for students to practice their public speaking skills and learn to celebrate their successes. Lego robotics is going well, we started slow but are strong now. MAPS testing is going well.
 - c) Mrs. Kendall
 - i) Everyone is making good progress on their math and social studies targets. We have started learning our social studies lessons together as one group to bring in more dynamic, interactive activities; this week we are learning about Ancient Egypt and will continue with more ancient empires in the coming weeks. Most students are completely caught up and on track with their reading assignments with Miss Marli. We are currently working as an entire class on some Alaska Fish & Game ecology lessons. Still, we will

The Lake and Peninsula School District

switch to focusing on physical science, earth science, and life science curriculum standards starting next week.

d) Ms. Morris

- i) I am here from Pennsylvania to complete a portion of my student teaching. I am super thankful to you all for welcoming me into your school and community. I worked with Ms. Canning's class for the first week, but I am now in Ms. Gabbie's classroom for the remainder of my student teaching. I look forward to working with the students in the next couple of months!

11) Community Comment:

- a) none
