

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13**  
**BOARD OF EDUCATION**  
**Bloomington, Illinois**  
Regular Meeting    October 23, 2023

**FOR ACTION**

**Subject:    Approval of Contract**

Attached is the proposed agreement with Blazerworks. In the October 5 edition of the Thursday Letter, I shared the following information:

“As the District has had to engage in hiring staff through several different contract agencies, it has made the process more difficult in approving the timesheets of these employees. The District uses multiple agencies for contractual staff in order to get the best hourly rate possible. Positions that have been hired in this manner include special education paraprofessionals and a speech language therapist. Blazerworks is a company that will improve the efficiency of analyzing the timesheets of these employees so that District 13 staff can be more engaged in the service to students and their families. The contract has been reviewed and edited by Franczek and will be brought to the Board of Education as an action item for the October 23 regular meeting. Should you have any questions, please reach out to me at your convenience.”

Since the publication of this information, I have received no questions or comments about the proposed agreement.

Therefore, it is my recommendation to the Board for approval of the contract with Blazerworks as presented.

**Recommendation:**    The Board approve the contract with Blazerworks as presented.
