Re: Request for an Extension to consider Chapter 313 Application #1245 from Blue Summit III Wind, LLC to Quanah Independent School District

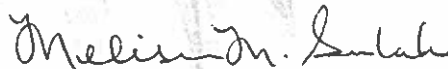

Dear Mr. Tomasiak:

On March 19, 2018, the Quanah Independent School District (the "District") accepted an Application for Value Limitation Agreement (the "Application") from Blue Summit III Wind, LLC (the "Applicant," formerly known as Blue Summit II Wind, LLC), Application #1245. The Board of Trustees acted to authorize the Superintendent of Schools to extend the time period for action on that Application beyond the 150-day time period as necessary.

On September 19, 2018, the Texas Comptroller of Public Accounts deemed the Application complete. The Comptroller subsequently issued its Certificate for Limitation on Appraised Value of Property for School District Maintenance Operations Taxes on December 14, 2018.

On January 29, 2019, the Applicant requested an extension of the deadline to complete negotiations and present an Agreement to the Board of Trustees. I am authorizing that extension, subject to ratification by the Board of Trustees, through December 14, 2019.

Sincerely,

Melissa Sulak, Superintendent of Schools  
Quanah Independent School District
