International Travel Program Proposal

Mahtomedi High School / Emily Larson

London, Paris, and Barcelona - Spring 2022

Your partner in travel-based learning

EF Education First is the world leader in international education. For over 55 years, we've partnered with educators around the world to help more than 15 million students gain new perspectives and build skills for the future through experiential learning.

Our mission is to empower educators to do their best work. At EF Educational Tours, we're working to define the modern educational tour experience. Our itineraries are more than places to go and things to see. We build programs that challenge assumptions, spark connections, and inspire curiosity in young students. Students will expand their knowledge of the world around them, discover more about themselves, grow more confident and independent, and understand new people, places, and cultures.

We take care of every last detail of the tour experience—transportation and lodging, meal reservations and menus, museum tickets and local tour guides, and much more. That also includes behind-the-scenes elements, like safety checks at hotels and background checks on adult travelers. With all that taken care of, educators and students can focus on the bigger picture.

You'll find all the details and more on the next few pages.

Safety

Your students' safety is our number one priority. We would never send a traveler to a location we believe to be unsafe—and with our extensive global presence, our best-in-the-industry experience, and our close working relationships with U.S. and international authorities, that's a statement we can back up with real insight. We follow travel restrictions worldwide and it is EF's policy that we will not travel to locations designated as a Travel Advisory Level 3 or 4 by the U.S. Department of State. Whether it's a worldwide pandemic or a sprained ankle, a missed flight or confusing medical paperwork, we make sure every situation is taken care of.

***For specific information on EF's response to COVID-19, visit [effours.com/covid](https://www.effours.com/covid)**

Worldwide presence

EF's global presence is truly unmatched. We have staff on the ground 365 days a year in over 50 countries. And we don't just work in those countries—we call them home. EF team members live in nearly every one of our tour destinations, meaning we have the local knowledge to help keep our groups safe. That presence allows us to be there to support you on the ground wherever and whenever you need us.

24/7 emergency support

In the event that anything on tour goes wrong, EF staff is always available to help. Your Tour Director is your group's constant companion and first point of contact in an emergency. Additionally, our fully trained support teams are on hand 24/7 to walk teachers through any issues and provide the resources necessary to get things back on track. Our Safety and Incident Response Team—comprised of industry experts, healthcare experts, and even former FBI personnel—is ready to spring into action 24 hours a day, 365 days a year. And when they aren't directly helping EF travelers, they're actively innovating on and shaping the new worldwide standards for cleanliness and safety.

Your team

This group is fully committed to your school's trip and the safety of every traveler.

Operations Safety & Incident Response Team

– This team is strategically based in our Boston, Panama, Tokyo, and Zurich offices to accommodate for all time zones. Available 24 hours a day, every day of the year, they are trained to react quickly if travelers need help. The team uses a combination of extensive training, simulations, incident response planning, and previous experience to manage emergencies. As needed, they can facilitate additional support for groups on tour, solve operational issues, arrange assistance from outside specialists, and liaise with local and international authorities.

Emergency Services & Support Team

– Our support team is available 24/7 to help resolve any issue, from a missed flight to a lost passport to more serious on-tour incidents. They also facilitate communication between travelers and families in the event of an emergency at home. The team is made up of highly trained and dedicated EF staff in our Boston and Denver offices who are equipped to solve problems and answer questions that may come up, even outside of regular business hours.

Tour Director – Assigned exclusively to your tour for the length of the stay at your destination, your Tour Director meets your group at the airport and travels with you until your departure. All Tour Directors undergo a background check as permissible by local law every two years and are required to participate in ongoing EF safety trainings. They're the first point of contact in an emergency and also communicate information to help travelers stay safe in a foreign destination.

Tour Directors assist Group Leaders with hotel check-ins, coordinate meals, facilitate excursions with local guides, and much more. They're also culturally connected and

expertly trained to support impactful learning experiences.

Tour Consultant – This itinerary expert is devoted to the growth of your students. They are your school's partner, working with you on everything from finding the perfect tour and enrolling students to offering fundraising advice and creating long-term travel programs for your school community. They work directly alongside the Group Leader (a.k.a. local teacher), right up until the moment of departure to make sure everything goes smoothly.

Traveler Support – Our team of support specialists are readily available to walk families through insurance inquiries, payment plans, food allergy issues, and any other topics that arise.

Chaperones – For every six travelers who enroll on your school's tour, your group is eligible to bring along a chaperone for free (the first spot goes to the Group Leader). This allows for a 6:1 ratio of students to chaperones, who assist Group Leaders with supervision of students to help keep them safe.

Protection for travelers, schools, and districts

We understand that unpredictable things can happen, either on tour or before departure. We offer a variety of protections, programs, and policies to make sure that, no matter what happens, travelers, schools, and districts are covered. We're doing everything we can to make planning for the future as flexible as possible.

General liability insurance

All Group Leaders, schools, and districts who travel with EF are automatically added as additional insureds under our **\$50 million General Liability Policy**, regardless of whether or not the tour is affiliated with the school. EF's liability coverage is primary and non-contributory for covered third-party claims. The policy helps safeguard Group Leaders and their schools for covered third-party claims related to bodily injury or property damage, which includes providing a legal defense and covering legal costs for such claims. In addition, all travelers are required to sign EF's Release and Agreement, which includes a release of liability of their Group Leader, school, and school board.

Flexibility to change tours

The world is always changing. And while our belief in the positive impact of travel is unwavering, it can feel hard to predict what life, here in the U.S. and abroad, will look like several months, a year, or even two years from now. When you decide to travel with EF, we want you to feel secure in that decision. That's why these benefits are built into every EF program.

Peace of Mind

Provided to all groups

We understand that plans can change due to unforeseen circumstances. EF provides this exclusive program to account for such situations. It provides groups with flexibility to change the dates and destination of their tours in uncertain times. This program accounts for such circumstances and can be enacted up to 45 days prior to departure at the group level for any reason, including terrorism or other world events.

COVID Peace of Mind

Provided to all groups

In addition to our standard Peace of Mind Program, EF provides an exclusive COVID-19 Peace of Mind Program to account for situations related to the COVID-19 pandemic. This program is automatically included for all travelers and can be enacted up to 45 days prior to departure at the group level, while specific options can be implemented at the individual level.

COVID Care Promise

Provided to all groups

If your child is diagnosed with COVID-19 while on tour, we will coordinate and facilitate support services and logistics including translation services, connections with local health care providers, communication with family, and flights home at no additional cost.

Protection for individual travelers

Travelers can help protect their investment and themselves from certain unexpected events and expenses while on tour with the Global Travel Protection Plan and Global Travel Protection Plan Plus.

Global Travel Protection Plan

Available to all travelers

Designed specifically with EF travelers in mind, this plan provides both pre-departure and post-departure benefits, including medical expense coverage that may apply on tour and tour cancellation for specified reasons.

Global Travel Protection Plan Plus

Available to all travelers

To further protect your investment from the unexpected, this plan provides all of the benefits included in the Global Travel Protection Plan as well as expanded cancellation protection.

Background checks for adult travelers

EF requires all adults (18 years and older) to pass a criminal background check before traveling on our student tours. This provides a safer tour experience for all travelers and aligns with the process and expectations of many school districts for adults who volunteer in schools or chaperone school activities. The secure process, provided by a leading professional provider, only identifies those individuals who could present a risk to student travelers while on tour.

Affordability

We believe every student should have the opportunity to travel. That's why we're dedicated to providing the lowest prices possible and giving travelers multiple resources for managing payments.

Tour Consultants work closely with teachers to build a tour that's exactly right for your students. Through discussions with your teacher, they take into account learning objectives, cost, timing considerations, and any other factors to craft a tour that's accessible to as many students as possible.

Resources for managing cost and payments

Automatic Payment Plan – Our recommended payment plan offers the ability to break the tour fee into smaller installments. With most tours planned well in advance, travelers can enroll for only \$95, then pay over a long period of time—often up to 18 months or two years—with final payment due 30 days before departure. Families make payments directly to EF, with no payments going through the school.

Donation pages – Each student has access to their own unique and customizable donation page. The easy-to-share page makes it simple for friends and family to contribute a little something that is automatically applied to the balance of the tour, with no fees whatsoever.

Global Citizen Scholarship Fund – EF Educational Tours provides \$100,000 worth of scholarships to students across the country every year. Any student is able to apply for the Global Citizen Scholarship, which is awarded on both a merit and need basis.

Risk-free enrollment period – When a new traveler signs up for a tour traveling in 2022 by December 15, 2020 with EF's Automatic Payment Plan or by Paying in Full, the traveler has the option to cancel their tour for any reason before May 1, 2021 and EF will refund 100% of the money paid in.

Educational value

Our tours help prepare students for the future by teaching them more about the world, themselves, and their place in the world. Combining the power of experiential learning with the thrill of global travel, our tours help students:

- Expand their knowledge of the world around them
- Grow more confident and independent
- Understand new people, places, and cultures
- Discover more about themselves

EF is an accredited institution

We echo your commitment to education. Our travel-based learning approach is designed to blend classroom and experiential learning. This allows us to meet the same rigorous standards as schools like yours, ensuring students gain valuable experiences that transform the way they look at the world.

Earning credit for new experiences

EF makes it easy for students to turn their tour experience into college credit, or to get a head start on their college essays—all while making their travel experience even more engaging.

- Students in grades 9—12 can earn 3.0 undergraduate credits, along with the confidence that comes with taking a college course, by completing a series of assignments and a final research project with our partner, Southern New Hampshire University—all for just \$215.

How I can help with next steps

My name is Ashleigh Straub and I am Mahtomedi High School's dedicated Tour Consultant. That means I'll be working with Emily Larson every step of the way to make sure everything is perfectly planned.

As we move forward in this process we'll want to plan a parent information meeting early this fall so new travelers have time to take advantage of the Risk Free Enrollment Period and Early Enrollment Scholarship. Many schools in the area are looking to launch these opportunities at the beginning of October so families can lock in the lowest monthly payment.

I hope this overview has given you the information you need to feel confident in EF as an educational travel provider. Should you have any questions or need any additional information, please don't hesitate to reach out to me directly. EF is excited to partner with your school to bring this life-changing experiential learning opportunity to your students.

Sincerely,

Ashleigh Straub

Senior Tour Consultant - Minnesota

EF Educational Tours

“I am now more confident than ever in the safety and experiences of my students after working with EF on this trip. As a leader, I am committed to ensuring a global mindset throughout my district and student/teacher travel.”

Angela M., Administrator, Brunswick, ME

“I advocate for travel because the world is vast and diverse. If we want to truly understand our neighbors in other states or countries, we must reach out and meet them where they live. Travel provides a glimpse into another world that our students may have Googled or watched on a device, but living it with the smells, food, smiles, and various challenges teaches flexibility, tolerance, understanding, and empathy.”

- Chuck C., Group Leader, Central, SC

From a single tour to a whole program

A single tour can open up endless possibilities for a small group of students. Our goal at EF is to bring that experience to as many students as possible, including the broadest collection of students at your school. By progressing from a single tour to a consistent travel program, you'll not only build a culture of exploration, but you'll provide the opportunity of travel to even more students. We can work directly with you and your staff to establish a framework for your travel program that's tailored specifically to your school's needs and goals.
