Briefly describe the subject of the report or recognition presentation.

(C) Funding Source: Identify the course of funds if any are required

(D) Clarification: Explain any question or issues that might be raised regarding this item.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

Principals are entrusted with our most precious and valuable resource — the children of this great state. Children are our promise for the future, and receiving a rigorous and well-rounded education is critical to their development and, in turn, the development of Texas.

Principals fulfill many roles in our schools and beyond. Principals support the community, students, parents and a healthy school environment as leaders, communicators, disciplinarians, budget analyst and makers of policy mandates and initiatives.

Principals also set the academic tone for their schools by working collaboratively with our invaluable teachers to build high academic standards, set performance goals and utilize best practices for achieving those goals.

During the month of October, we recognize the important roles principals assume in helping to ensure that every child has access to a high-quality education in safe and supportive environments.

At this time, I encourage all Texans to learn more about the many contributions and accomplishments of elementary, middle and high school principals across our state. As our principals accomplish their goals for education, the future of the Lone Star State is made brighter.

Therefore, I, Greg Abbott, Governor of Texas, do hereby proclaim October 2018 to be

Principals Month

in Texas, and urge the appropriate recognition whereof.

In official recognition whereof,
I hereby affix my signature this the
11th day of September, 2018.

Governor of Texas
