

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting July 22, 2024

FOR ACTION

Subject: Approval of the District Consolidated Grant Plan

In the July 11 edition of the Thursday Letter, I mentioned that the District would have to submit a Consolidated Grant Plan that would dictate how federal funds would be expended in support of the Every Student Succeeds Act (ESSA) and the Illinois State Board of Education's (ISBE's) implementation plan for ESSA. A summary of the grants is attached for your review.

Board approval is necessary in order for the grant to be submitted in a timely manner and approved at the State level.

Mrs. Gabany is present and available to answer any questions you may have about the plan this evening.

Recommendation: The Board approve the District Consolidated Grant Plan, as presented.
