Absent: Jim Christensen, Sara Judd

1. Congratulations to Allison and Kurt on being approved to PRESENT at the national ISTE conference this summer in Texas.
2. CRES Tech Plan
   a. Results from Sub-committee meeting
      i. Made a list of current technology per grade
      ii. Provided estimated prices for proposed technology
      iii. Current Recommendations (summary)
         1. Chromebooks 1:1 grades 4-6 with an iPad cart available for checkout
         2. Interactive whiteboarts grades 1-2
         3. Newest iPads will be distributed to 3rd Grade 1:1
         4. Redistribute remaining ipads through K-2
   b. Funding
         1. Taconite Grant
         2. Looking into other sources - i.e. Hallett Trust, etc
   c. Additional Considerations
         1. Will Chromebooks be taken home by students at CRES?
            1. Per group vote/discussion
               1. They will go home every night for 6th grade
               2. They will not go home in grades K-5
         2. Plan/procedure for breakage/repair
            1. Protection plan Grades 6-12 will be the same
3. GoGuardian follow up - [teacher survey results](#)
   . Will continue to purchase licenses for teachers who actively use the application
