

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 4/15/20 Superintendent: Dave Valenzuela

Administrator/Staff: Rob Saunders

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

The Student Transportation Services RFP committee has reviewed the two Request for Proposals that were submitted and recommends the contract be awarded to First Student, Inc.

Provide history/background information on your proposal:

The District issued a Student Transportation Services RFP on February 12, 2020. Four vendors responded to the pre-bid meeting and corresponded during the period allowed for questions. Two vendors ultimately submitted bids, they were reviewed and scored (see attached) and the unanimous recommendation from the committee was to award the contract to First Student, Inc.

List the advantages of your proposal:

The advantages to the First Student proposal are detailed in the attached document. In addition, awarding the contract now will allow the district to begin coordinating any changes needed for next year and the 4 - day school week.

List possible disadvantages of your proposal:

I don't know of any at this time, the contract includes a Termination for Cause clause if the District is not satisfied with the services provided.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There are none at this time that could provide a better outcome.
