Football Camp

I was contacted by a representative of the Washington Redskins Original Americans Foundation:
Kendra Brown Director of Special Programs
21300 Redskin Park Drive
Ashburn, VA 20147

Kendra had spoken with Brian Gallup while the board was in Washington D.C this fall. Brian had contacted me and wanted me to reach out to Ms. Brown about her idea of having a football camp sponsored by the Original Americans Foundation. I contacted Ms. Brown to get the information about the football camp.

The information that I received was "It was a pleasure speaking with you this afternoon about our 2017 Camps. Sorryit took me so long to get this to you. The Washington Redskins Original Americans Foundation is sponsoring 10 Youth Football Camps throughout the United States this summer. Wondering if your school, coaches and administration would be interested in hosting a Camp with our sponsorship? After taking a look the days we still have open are **July 19th, 20th, and 21st.**

Please find attached one of our 2017 Flyers with more camp information. The dates at the very bottom of the flyer are dates that Riddell and USA Football will be making their presentations at specific camps. Please feel free to call or email me back with any questions or if you would like to Request a Camp I will be happy to send you a Request Form. Have a wonderful day,

Additional information that I gathered was the Original American Foundation will bring current and former NFL players to assist our local football coaching staff in putting on a football camp. The local

coaching staff will set up the schedule for the camp each day and the NFL players will assist the coaching staff with drills and teaching fundamentals each day. The NFL players will also be able to talk with the kids that attend during lunch and different times throughout each day. There is no cost to the kids participating in the camp. There is a small amount of funding that coaches can receive as a stipend for working the camp. The athletic department would like for the board to approve this camp when it is brought to the board for approval.
