## Waiver Request #1

<b>Topic:</b>	School Start Date
<b>Standards/Statutes/Rules:</b>	A.C.A. 6-10-106
<b>Duration Requested:</b>	Five years
<b>Name of Open-Enrollment Charter Holding the Waiver</b>	Arkansas Virtual Academy
<b>Schools, Grades, or Classes the Wavier Will Apply To</b>	K-12
<b>PURPOSE OF THE WAIVER (Must check at least one)</b>	<input checked="" type="checkbox"/> Enhance Student Learning Opportunities <input type="checkbox"/> Promote Innovation <input type="checkbox"/> Increase Equitable Access to Effective Teachers

- 1. Provide a DETAILED RATIONALE explaining how the waiver will enhance student learning opportunities, promote innovation, or increase equitable access to effective teachers. Include information about the problem or obstacle; if any, the waiver will help the district overcome.**

The member school districts of the Northeast Arkansas Education Service Cooperative are collectively and separately requesting a waiver from A.C.A. 6-10-106, which establishes the first allowable day of class as the Monday of the week that contains August 19. For the 2024-2025 school year, it will be Monday, August 19, 2024.

We respectfully request a waiver to allow the Greene County Tech School District to set their start date “no earlier” than August 12 for each of the next five school years.

The advantages of the early start option include the following:

1. It gives us a greater chance of having more instructional time before state testing, even in years when we miss a significant number of days due to inclement weather.
2. It allows us to begin in mid-August when students and staff are eager to return to the new year and complete the year by the end of May before many of the summer activities begin in early June.
3. It provides a greater balance between the number of days in the first and second semesters of the school year.

- 2. Provide a detailed explanation of how the services being waived will be provided for students.**

The requested waiver will not impact the calendar length chosen by the Greene County Tech School District. It will only provide the flexibility to begin the school year earlier, providing the above advantages to students,

staff, and parents. The services provided to our students will be the same as those supplied without waiver approval regarding days and/or hours of instruction.

**3. Provide a detailed explanation of how the district will monitor and evaluate the effectiveness of the waiver.**

The district will monitor the following items: 1) # of instructional days or hours gained in advance of state testing by starting earlier, 2) student and staff attendance on those dates, and 3) state test results to try and determine what correlation exists between achievement results and instruction time before testing.
