# Middle School Upgrade

*For the 2020 school year received 6 new park style tables for students to dine and enjoy the outdoors. This helps to alleviate the crowded breakfast service inside the cafeteria.*

# Exceptional Line Set Up

# Student Satisfaction Guaranteed

# Healthy Helpers

The Healthy Helpers program is our on-going monthly program that helps educate students on Get Fit and Eat Right. We have monthly topics that are discussed from the Intermediate School to all Elementary Schools. This is just another area where the staff goes beyond the call of duty. Just a reminder of how awesome the ladies of the Child Nutrition Department are in making our district a better place to learn.

*Healthy Helpers in action!*

# Dads & "Donuts"

*Here in Brownwood ISD there is a system in place called the Watch D.O.G.S (dads of great students), where students' dads join together with the Brownwood police department with the goal of providing positive male role models for the students. This month we did a special event to celebrate and show appreciation for the dads that take the time to keep the kids safe. SFE partnered with the local Brownwood police department to put together the event. It was a huge hit.*
