RECOMMENDATION:

Approve the bid submitted by BLS Construction of El Campo to build the circle drive at the Duson-Hansen Fine Arts Building at a cost of \$178,900.00 with funds donated by the College Foundation. The actual contract signing will take place after the funds have been received from the Foundation.

BACKGROUND/RATIONALE:

The College solicited and received 3 bids for the Fine Arts Circle Drive Project. The bids were \$110,395.00 from A1 Construction of Houston, \$178,900.00 from BLS Construction of El Campo, and \$181,000.00 from Bass Construction of Rosenberg. After evaluating the bids, and consulting with our architectural firm, it was decided to reject the A1 Construction bid as incomplete and recommend the second lowest bidder, BLS Construction of El Campo. The Foundation is responsible for the amount of the bid and any Foundation approved change orders that may arise.

Estimated Cost & Budgetary Support (how will this be paid for?): \$178,900.00
