

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: July 25, 2023

TITLE: Approval of Agreement with Local Initiatives Support Corporation for Childcare Infrastructure Building Program Grant

BACKGROUND:

Local Initiatives Support Corporation (“LISC”) has approved a grant of \$125,000.00 (“Grant”) to Amphitheater Public Schools. The LISC Grant is being funded from monies that LISC has received or expects to receive from the Early Childhood Development and Health Board (“First Things First” or “FTF”). The Arizona Department of Economic Security (“ADES”) entered into an agreement with FTF to provide early childhood related services and authorized FTF to fund LISC’s work in the Childcare Infrastructure Building program.

The Grant will help Amphitheater Public Schools improve the facilities at Amphitheater High School and expand the preschool classroom to serve additional children in our current preschool program.

RECOMMENDATION:

The Administration recommends that the Governing Board approve this grant.
