Re: Coppell High School Wrestling Mats

As part of the construction additions at Coppell High School, wrestling mats are needed for the new wrestling room. Custom sized mats for the floor and walls will be needed for the newly created space.

The Interlocal Contract purchasing method as provided in the Texas Education Code 44.031 was used to obtain the proposal from Resilite Sports Products through Southwest Sports Supply using the EPCNT cooperative. Southwest Sports Supply provided the proposal with the best value for the district at a total cost of \$69,263.52. This company has previously provided the best cost for materials and services to Coppell ISD Athletics for several other similar projects.

2013 bond proceeds set aside for the furniture, fixtures, and equipment of the Coppell High School additions will be used to fund this purchase.

RECOMMENDATION: That the Coppell ISD Board of Trustees award Resilite Sports Products/Southwest Sports Supply as the vendor to provide and install the required custom mats, as presented, for the new wrestling room at Coppell High School for the sum of \$69,263.52.
