- Totals 411

The November First National Bank **Senior-of-the-Month** is Shelby Edwards

The November WMKR Radio **Students-of-the-Month**

9- Ryan Karbach

10 - Anna Beyers

11 - Rachel Holthaus

12 - Addie Deere

Congratulations to the following students for being selected to this year's ILMEA District Music Ensembles: Griffin Kimbrel was selected for band; Nicole Arkebauer, Aaliyah Cooks, Boone Elledge, Brock Schoonover, and John Berns were selected for choir, and John Berns was also selected for the jazz choir! Please make sure to congratulate these students on this wonderful honor!

Pana FFA took 3rd in the Ag Sales Competition with Ellie Kuhn placing 7th individually.

Pana FFA placed 4th overall at the Land Use Competition.

Mrs. Beyers Consumer Ed class has been doing units on cooking and cleaning. They have worked on cleaning bathrooms, dusting, vacuuming, putting pillowcases on. For cooking, we have opened cans, made cookies, and wraps. The boys also have been doing a good job keeping up with the recycling this year.

Pana Cross Country completed an entire varsity season with no positive cases. We were able to social distance during practices and meets. Although none of our athletes advanced to sectionals, it was a welcome opportunity to improve our physical health and compete at a high level. A huge shout out to Mr. Haston for making this season a big success.

26 people took part in our flu clinic.

PHS is extremely excited to receive a driving simulation machine. Made available through grant funding, PHS students will be able to advance through a series of simulations prior to behind the wheel practice.

- At this current moment, Finals are scheduled to take place on Dec 16th-18th and follow the same schedule as the last few years. The plan is for students on remote learning to report to campus for their exams, with the exception of any student who is quarantined. PHS will continue to evaluate the feasibility, safety, and ability to administer finals in the traditional sense as things continue to evolve.

Upcoming Events/Activities:

Nov 16-20 American Education Week
December 4- Picture Retakes
December 16-18 Final Exams
