5310.01 - **EMERGENCY NURSING SERVICES/PLAN**

To provide for the health and safety of students, the District shall develop an emergency nursing services plan (also known as protocols). This plan shall be in accordance with statutory requirements for the provision of emergency nursing services and shall include the following requirements:

- A. **(X)** The school nurse has developed and reviewed all relevant policies providing for the provision of emergency nursing services to students in cooperation with other School District personnel and representatives from community health agencies and services designated by the Board.

Such Board policies, consistent with the District's emergency nursing services plan, provide for the management of illness (see Policy 5310 - Health Services, Policy 5335 - Care of Students with Chronic Health Conditions, Policy 8450 - Control of Casual Contact Communicable Diseases, and Policy 8453 - Direct Contact Communicable Diseases), accidental injury (see Policy 5340 - Student Accidents/Illnesses/Concussion & Sudden Cardiac Arrest), and the administration of medication and emergency care (see Policy 5330 - Administration of Medication/Emergency Care). These Board policies and their respective protocols shall be incorporated into the District's emergency nursing services plan.

- B. The District's emergency nursing services plan shall include specific protocols for dealing with student accidental injury, illness, and administration of medication at all school-sponsored activities, including but not limited to curricular, co-curricular and extra-curricular activities, and a method to record each incident of service provided.
- C. Arrangements shall be made with a licensed physician to serve as medical advisor for the District's emergency nursing services plan.

The **(X)** Board shall annually designate the District's medical advisor.

- D. The District shall make emergency nursing services available during the regular school day, including summer or interim school, and during all school-sponsored student activities.

The emergency nursing services plan shall indicate how such services shall be made available by the District during such times. The District may provide for such emergency nursing services through District staff or through outside services such as local emergency response resources.

- E. The District's **(X)** emergency nursing services plan shall specify how the District is providing for student emergency information, equipment, supplies, and space for the emergency nursing services that are appropriate and readily accessible to facilitate the provision of such services consistent with the services developed through this policy.
- F. The nurse shall review and evaluate the District's emergency nursing services each year, including a review of the policies referenced above, and shall report to the Board regarding such services.

At any time deemed necessary and appropriate, the nurse shall bring proposed revisions of any policies to the District Administrator, who will review them and forward them to the Board for consideration.

~~To provide for the protection of the students, the District shall make available emergency nursing services during the regular school day and during all school sponsored student activities.~~

~~The District shall provide for the management of illness (Policy 5310, Policy 5335, Policy 8450, and Policy 8453), accidental injury (Policy 5340 and Policy 5341), and the administration of medication and emergency care (Policy 5330). The policies shall include protocols for recording all administration of emergency nursing services.~~

~~The District Administrator shall develop guidelines that will provide student emergency information cards, equipment, supplies, and space for the emergency nursing services that are appropriate and readily accessible to facilitate the provision of such services consistent with the services developed through this policy. The District Administrator shall also identify a licensed physician to serve as medical advisor.~~

~~The District shall make available emergency student information, first aid supplies, and appropriate and accessible space for the rendering of emergency nursing services.~~

~~This policy and the additional policies providing for the provision of emergency nursing services to students has been developed and reviewed by the school nurse in cooperation with other School District personnel and representatives from community health agencies and services designated by the Board upon the recommendation of the nurse. The nurse shall review and evaluate emergency nursing services each year, including a review of the policies referenced above, and shall report to the Board regarding such services and bring proposed revisions of any policies to the District Administrator who will review and forward such revisions to the Board for consideration.~~
