From: Dwight Goodwin Executive Director of Technology  
Date: June 22, 2026  
cc: Dr. Leanne Shivers, Randy Fite, and Dr. Amber Lasseigne,  
**Re: Approval of ClearPass**

---

The 2023 Bond election includes Network Access Control (NAC) to secure networking and policy management across our infrastructure. World Wide Technolgy will procure and implement across the CISD network.

The proposal from World Wide Technology was procured in accordance with Texas Education Code §44.031 through the cooperative purchasing method of procurement with the TIPS Cooperative. We will be paying for these upgrades out of 2023 Bond Funds.

**RECOMMENDATION: That the Coppell ISD Board of Trustees approve the proposal from World Wide Technology for the purchase and installation of Clearpass not to exceed \$150,000.**
