Fri, Dec 19, 2025 at 10:35 AM

The Department of Education and Early Development released the FY2027 School Construction and Major Maintenance Capital Improvement Projects (CIP) Reconsideration Agency Decision Lists on December 19. These priority lists are used by the department, governor, and legislature to determine school construction and major maintenance projects for capital funding during the upcoming budget cycle.

The lists are available to view on the [department's website](#).

Thank you,

Sharol Roys

FSS/Facilities, School Finance Specialist II
