ALPENA COUNTY PROSS P2P.pdf;

Please put the PA's office on the Finance Committee regarding costs for Russ Rhynard's new office. These costs are associated with creating a connection for him to the County for his computer in his new office over with DHHS.

Short story, there is no room for him in our office. We do not have enough space. He is working with DHHS primarily and so it made sense for him to move into one of their empty spaces. However, we need to connect him to our computer system as he cannot do that through the state internet. This invoice shows the costs of connecting him. This cost can be taken from our extradition expenses (101-229-812.000) if it is transferred to and paid out of our office supplies (101-229-727.000). That is our request.

Very Respectfully,

K. Edward Black
