RE: Fencing Project Recommendation.

Ms. Diaz;  
Attached is the Bid Tabulation for the Fencing project for various facilities.

Since one vendor did not bid on the wheel stops- that item cost was deleted from all the other vendors for equal comparison of the bids. The deletion of the line item did not change the results.

Based on the tabulated results, the apparent low bidder was

The contractor has agreed to complete the AG building fence project with roll gates in lieu of the swing gates for the bid amount of \$ 41,309.63.

The submittal package was complete with Bid bond, Commercial insurance endorsement and W-9.  
I recommend that the AG building fencing project be awarded to DHMSA Construction LLC

Respectfully,
