The results of the 8<sup>th</sup> great TAKS ELA tests were fantastic. All students passed with the majority of the students scoring at the commended level. Ms. Bader teaches 8<sup>th</sup> grade English and reading and Mrs. Brotherton teaches the students as 7<sup>th</sup> graders so the fact that they did well is no surprise. However, the fact that all students passed and the high number of students reaching the commended level is remarkable and the teachers and students involved deserve congratulations. We expect to do well in all areas and we are all working hard to prepare for the remaining tests in late April and early May.

I and all the members of the high school and junior high appreciate the time, effort, and wisdom that school board members give on our behalf. We recognize that without the great leadership from the school board and Mrs. Renken our direction of continued and greater success would not be possible.
