

#2000**Concepts and Roles in Administration**

The Administration shall implement the educational philosophy, goals and objectives of the Madison Board of Education. This shall be accomplished through guidelines established by Board policies; federal, state and local law; and employee contracts.

The Administration shall demonstrate professional leadership to the staff of the Madison Public Schools and the community in promoting educational standards and resolving conflicts that relate to the school system. The Board of Education will encourage and support professional activities that enhance the leadership skills of the Administration.

The Administration, as representatives of the school system, shall strive toward developing a good working relationship with the community in order to promote and maintain quality education in Madison.

The Administration, under the direction of the Superintendent, shall be responsible for the operation of the school system and is encouraged to utilize the management team concept.
