

***Killeen Independent School District  
Board Agenda Item Information Sheet***

**Date:** January 20, 2026

**Agenda Item Caption:** Discussion of Killeen ISD Call for Quality Schools/SB 1882 Texas Partnership Public Update

**Purpose of Agenda Item:** Information only

**Administrative Recommendation:** None; for discussion.

**Background Information:**

In fall 2025, Killeen ISD initiated the work to become a charter authorizer and presented the authorizing framework and early partnership opportunities to the Board of Trustees, including an overview from Third Future Schools.

Following that briefing, the district has completed key foundational steps—updating governance policies, adopting an authorizer mission and vision, submitting the district’s intent to request 1882 benefits with TEA, and launching an official Call for Quality Schools.

This update provides the current status of the Call for Quality Schools, including the process for evaluating the application submitted by a potential operating partner.

**Fiscal Analysis:** None

**Regulatory Requirement:** None
