

Consider Approval of Proposal to Purchase Texas Association of School Boards Risk Management Fund Insurance Coverage for Unemployment and Workers' Compensation

Staff recommends that the Board approve renewal of insurance policies through an interlocal agreement with the Texas Association of School Boards Risk Management Fund for the College's unemployment and workers' compensation insurance coverage.

NOTE: The rates for workers' compensation and unemployment coverage have not been quoted since the current policies do not expire until September and October 2025, respectively. The carrier predicts that there will be no increase and possibly a decrease in the workers' compensation policy rate from the previous year, and predicts the same for the unemployment policy rate. Once the rates have been quoted, approval of the policy payment amounts will be submitted to the Board for final approval.
