WTI, a subsidiary of Tremco, Inc.
Beechwood, OH

TO: The Board of Trustees

FROM: President Cary Israel

DATE: May 27, 2014

SUBJECT: Recommendation for Renewal of Reference 3160 - Annual Contract for Roofing Repairs and Services for the Spring Creek Campus.

SCOPE: Annual purchases utilizing the TCPN contract for various repairs, weatherproofing and other roofing services for the Spring Creek Campus. Term of contract: 06/23/2014 through 6/22/2015.

RECOMMENDATION: WTI, a subsidiary of Tremco, Inc. \$25,000.00
Beechwood, OH (not to exceed)

JUSTIFICATION: Pricing in accordance with Reference 1804 - Interlocal Agreement with The Cooperative Purchasing Network (TCPN), sponsored by Region IV Education Service Center, pursuant to the Texas Interlocal Cooperation Act, Chapter 791, Texas Government Code. The purpose of this cooperative is to obtain substantial savings for member school districts and public entities through volume purchasing. TCPN Contract # R5101 was originally awarded in November 2011.

WTI/Tremco, Inc. has been providing quality services to the District for at least 14 years. Price comparisons were done between the TIPS (The Interlocal Purchasing System) cooperative contract with J&J Roofing and the referenced TCPN contract, and the pricing for the Spring Creek Campus was better through the TCPN contract.
