- 1. Title I and State Compensatory Education** – We ended the year with 240 students who qualified for this program. This number drives our funding for Title 1 and SCE.
- 2. Dyslexia** – I tested 3 students for Dyslexia and attended the 504 meetings for those students.
- 3. Accountability Planning Meeting** – Mr. Thompson and I met with the Title I and accountability team at the Region Center on May 6th. Preliminary report predicts that we will meet accountability for this year.
- 4. TASBO – Edgar Manual** – On May 6th, I participated in the TASBO webinar concerning the new Federal/State Grant Manual. I have completed the manual and sent it to Lance Terrell and Mr. Thompson for review.
- 5. ESL Director Meeting** – I met with the other directors and the ESC staff on May 11.
- 6. Food Application Training** – Tina Brooks and I attended the training at the Region Center on Free/Reduced Lunch applications on May 12th.
