RATIONALE:

Research has shown that one of the most tangible and indispensable characteristics of effective schools is their strong administrative leadership. The Governor of the State of Michigan proclaimed the week of February 14-18, 2011, as Michigan School Principals' Week in Michigan. The Livonia Public Schools' Board of Education believes this dedicated group of educators deserves this special recognition by proclaiming the week of February 14-18, 2011, as Principals' Week in the Livonia Public Schools School District.
