

## Summer Temporary Employees

### Background:

Although the school term has concluded, a number of school activities extend throughout the summer. At a previous meeting, the school board approved the following budget and positions for summer maintenance:

Work Assignment	Hourly Wage	Total Hours*	Total Wages
• Painting and Maintenance (1)	\$15.00	320	\$4,800
• Computer Maintenance (2)	\$10.00	2 x 160 = 320	\$3,200
TOTAL			\$8,000

### Recommended Action:

I recommend a single motion for the board approve the personnel assignments for temporary summer duties:

Duties	Temporary Employee	Hourly Wage
Painting and Maintenance (1)	✓ Scott Meyer	\$15.00
Computer Maintenance (2)	✓ Michael Jenison ✓ Avante Woolery	\$10.00

During our fourth quarter distance learning, some of our English language learner students fell behind with their credits. They need translation and support services from an ELL paraeducator. These costs will be paid by our federal CARES funds.

English Language Learner supports for our credit recovery program with Pat Kelley (1)	✓ Thelma Garcia	Her hourly BKESA wage.
---	-----------------	------------------------

During our fourth quarter distance learning, many mathematics students fell behind with their credits. They need tutorial services from a mathematics instructor. These costs will be paid by our federal CARES funds.

Mathematics supports for our credit recovery program with Pat Kelley (1)	✓ Tammy Swenka	Her contracted hourly wage.
