EMPLOYEE OF THE MONTH
MS. SANDERS

H.I.S FINAL WALK

As we bid farewell to Huntsville Intermediate School our hearts swell with a mix of emotions and cherished memories. We extend an invitation to our community, both past and present students and staff, to join us for one final walk through our beloved campus. Mark your calendars for Tuesday, May 21, 2024, from 5:00pm to 6:30pm, as we open our doors for a come-and-go event. On display in the library will be memorabilia that will evoke fond memories. Moreover, this occasion grants you the privilege of one last exploration of the building, a chance to traverse the familiar corridors and classrooms that have shaped countless journeys. We look forward to sharing this poignant moment with you.

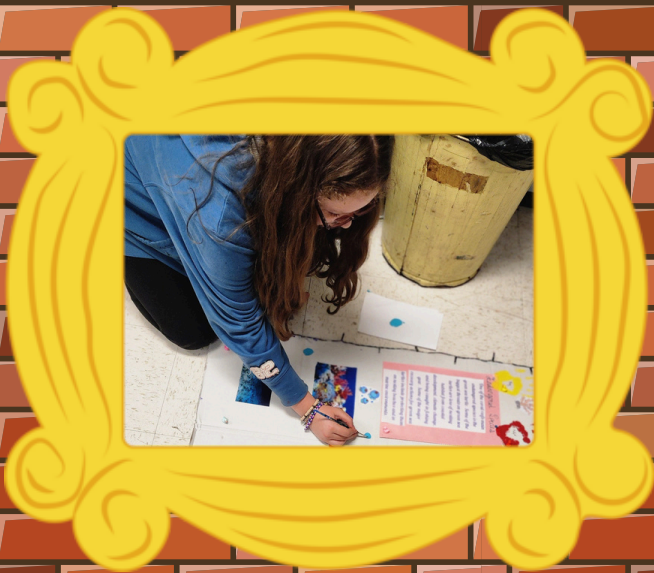

Learning

The students at Huntsville Intermediate School are still working hard and learning! Many teachers are using the time after STAAR testing to master skills that will be essential for next school year!

Engaged

Our 6th Grade Pre-AP studnets in Ms. Copeland's class are diligently working on their Biomes project for the annual Biomes Showcase on May 9, 2024.

FINISH STRONG

Students in Mrs. Crook's class are working on their final project of the year. They were given a state to research. This project goes hand in hand with their final unit on the various cultures that have shaped the United States, and how each state is unique!

TEACHER APPRECIATION WEEK

May 6 - May 10

For Teacher Appreciation Week, we honored and celebrated our teachers and staff! We are so grateful for all the hard work they put in day in

HIS would like to say thank you to the Board of Trustees for your continued support throughout the years. The staff is excited to begin their new adventures at campuses throughout the district, but we will always have a special place in our hearts for HIS. Thank you again for the opportunity to serve the students and families of Huntsville.
